Dear Business Owner,

Online business advertising is surging! Check out any recent internet business news!

Through www.SchoolDirections.Com your business can immediately reach new customers in any state, county, or city. Our website receives over 5,000 visitors every day. Your business advertisement will be seen by school students, athletes, parents, sports organizations, school administrators, and out of town visitors.

www.SchoolDirections.Com provides an easy way of getting directions to, and communicating with, any school. Every state has its own site which lists every high school and middle school, along with directions, maps, phone numbers, and school website links. There are also many useful tools to help students excel, including links to reference, news, homework, and research sites.

We also feature all school sports pictures sent in by our users.

Your business will be featured in a highly visible, high-quality ad that will link to your own business's website.

Thank you for your interest and we look forward to working with you!

If you have any questions please email me at Admin@SchoolDirections.Com.

Sincerely,

Eric Spenser
Internet Marketing Director
